## **Have you heard the good news?**

**Sunday 3rd December 2017, 5pm**

Come and join us for a unique perspective on the Christmas story. Sing your favourite carols, enjoy some mulled wine and cake. Be guided through aspects of the nativity you don't normally look at through a series of short sketches. This is not your usual nativity. Invite your friends and family. There is no charge but there will be an opportunity to contribute towards refreshments.
